

Please use our safety messages and artwork as filler in your publications. They work for sound bites too. *Thank you* for helping to keep the public aware of their role in highway safety this winter.

**Beware when you go
on ice and snow.**

Snowplows need extra room. Stay 100 feet behind and pass only with extreme caution

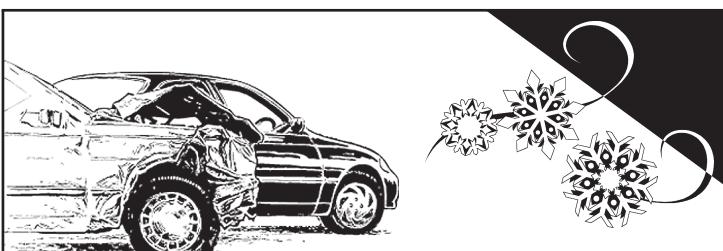

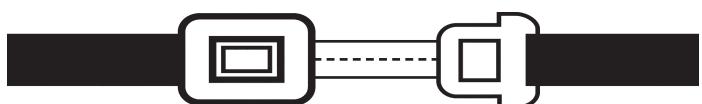

**Allow extra room
between vehicles
during winter weather.**

Stay Safe this Winter.

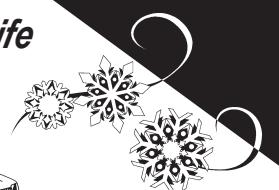

Drive Carefully and Wear Your Safety Belt!

**If snow is blowing should you be going?
Driving is a privilege and so is life.**

Don't push it!

**Don't risk your life
this winter.**

Wear the seat belt driving or riding.
